the ultimate goal...*

**Being your
preferred supplier.**

American Packaging Corporation is committed to social responsibility. We focus on identifying ways to effectively integrate economic progress, social development, and environmental concerns to ensure an improved quality of life for future generations. Preserving natural resources and minimizing waste are an integral part of APC's day-to-day business activity.

Printed on processed chlorine-free and 100% post-consumer content recycled paper using 100% wind-powered electricity. This paper is also Green Seal certified.
